SKIN TROUBLES CURED

Two Little Girls had Eczema Very Badly-In One Case Child's Hair Came Out and Left Bare Patches.

CUTICURA MET WITH SUCCESS

"I have two little girls who have been troubled very badly with eczema. One of them had it on her lower limbs. I did everything that I could hear of for her, but it did not give in until warm weather, when it seemingly subsided. The next winter when it became cold the oczema started again and also in her head where it would take the hair out and leave bare patches. At the same time her arms were sore the whole length of them. I took her to a physician, but the child grew worse all the time. Her sister's arms were also affected. I began using the Cuticura Remedies, and by the time the second lot was used their akin was soft and smooth. BROADWAY THEATER. "The Traveling Salesman."

Miss Ellian Mason, now appearing in the part of Mrs. Babbitt in James Forbos' sparkling comedy of "The Traveling Solesman," which comes to the Broadway theater Tuesday, October 19. owes her brillant stage career to a "dare" which resulted from one of her caustic criticisms of a promi-nent part in a passing play while a dramatic critic on a leading Buffalo

paper.
Miss Mason was for many years a newspaper writer connected with the Buffalo Courier, having charge of the woman's page and frequently furnishing dramatic reviews. The weak parts of a new production were never glossed over by the elever young writer and a particularly polymant re-view in time brought forth an ener-gelie protest. Miss Mason, with that getic protest. Miss Mason, with that assurance and self-possession which has made her stage work so notable, insisted that she was right and even went so far as to maintain that she could herself act better the part which was in question. She was "dared" to try, it by the irate manager, who thought thus to disconcert his critic. Miss Mason, true to the character which she portrays in "The Traveling Salesman," showed her metite forthwith, and undaunted by bluster, retorted that she was ready to take the part and that the manager might send around the part the next day. In two days she had learned the lines and was ready for her first appearance
